CONDITIONS OF SALE

All bids are entered as received and lots sent to the highest bidder without reserve.

Bidders unknown to me are requested to give reliable reference or their bids cannot be executed, and must forward in advance remittance of 25% of the amount of their bids. This is final.

Remember this is a strictly cash sale, therefore your remittance must be made promptly after delivery of all purchases. The coins I am selling are the property of others and I have to make an accounting to them.

Bid on the lot number and at so much per piece. If there are 5 pieces in the lot and you wish to bid $2.50 for the lot then bid 50c for each piece.

The Cataloguer will execute all bids free of charge but postage must be paid on all shipments.

Be sure and bid on the right lot as I will not hold myself responsible for any errors of this kind.

I have taken special pains in describing each lot accurately, in fact, the condition of many coins are favored.

If you are interested in any particular lot and do not know how much to bid I shall be pleased to advise you in regards to the value of same.

No claims will be allowed unless same are made promptly and in writing first and no material returned unless it is the fault of the Cataloguer.

Send your bids on receipt of catalogue. In my last sale some bids came in too late and could not be executed.

Everything guaranteed genuine unless otherwise described.

My mailing list contains over 1000 active collectors and I am ready to sell collections large or small. Terms on application.
